CITY ANNOUNCES GREENVILLE TECH AS TITLE SPONSOR OF ICE ON MAIN

(Greenville SC) The City of Greenville announced today that Greenville Technical College is the new title sponsor for Ice on Main's 2012-2013 season.

"A partnership with the City of Greenville allows Greenville Tech to support an important and meaningful family tradition in our community," said Greenville Tech President Dr. Keith Miller. "Greenville Tech is also a tradition in many families since we have been providing the skills that allow people and companies to grow since 1962. This year, we have created a new community service initiative at the college called Greenville Tech Gives Back. We are pleased that a portion of the proceeds from Greenville Tech Ice on Main will help the college join with partners to build a house with Habitat for Humanity of Greenville County."

Greenville Tech Ice on Main will host four Greenville Tech Gives Back Sundays: December 2, December 16, January 6 and January 13. From 1:00 p.m. to 4:00 p.m. on those days, a portion of Greenville Tech Ice on Main's ticket sales will be donated to Habitat for Humanity of Greenville County.

"The partnership with Greenville Tech is exciting because they have given so much back to our community over the years and are now continuing that tradition with Ice on Main," said Mayor Knox White. "We appreciate their support, and we're looking forward to another memorable holiday skating season."

- More -

Greenville Tech Ice on Main is located next to the Courtyard Marriott and Greenville City Hall on the Village Green at Main@Broad, 50 West Broad Street. The opening ceremony will be held on Friday, November 23, and the season will run through Monday, January 21. Admission is \$10 for adults, \$8 for children 12 and under. Details can be found at www.IceOnMain.com.
